

Solutions Aero

Solutions Aero provides a 100% transparent & free platform for Airlines, MROs, CAMOs, Logistics Management Organizations, etc. to find the ideal IT solution based on their unique individual requirements. We allow vendors to enlist their products with the details that set them apart and help them reach more customers in the global yet niche market that is the aviation industry.

SERVICES OFFERED

100% Transparent Software Listing **Tenders & RFIs** **News & Events** **Advertise with us**

THE GLOBAL PORTAL FOR AIRCRAFT MRO & OPERATIONS IT SUPPLIERS & BUYERS

100% Transparent Software Listing

We do not collect any membership fee or run on a Pay per Click model, which ensures that all potential buyers get unbiased results – purely driven by information provided by vendors and their software's user contributed reviews.

Other innovative tools like the function & feature based search, the multi-product comparison table and the facility to directly contact vendors, provides the potential buyer a single platform to effortlessly & effectively make the best selection without the hassle of navigating through multiple screens.

Tenders & RFPs

We have included the facility for Airlines to upload their RFIs, EOIs, RFPs & Tenders directly on the site which we then forward to all vendors, ensuring that the buyer get maximum visibility and can make the best possible decision.

You can send us an email with your requirements and we will distribute the same among our listed vendors.

THE GLOBAL PORTAL FOR AIRCRAFT MRO & OPERATIONS IT SUPPLIERS & BUYERS

Our News section exclusively covers all Airline-IT related news including success stories, updates and other developments, while keeping track of all Aviation Events (Expos, Tradeshows, Conferences, etc.) around the world under the Events section.
